MEMORANDUM FOR: Dr. Donald Chamberlain, OSI  
Mr. Edward Proctor, ORR

25X1A

SUBJECT: Analytical Study of Requirements  
and Systems

1. This note is in pursuance of my telephone conversation with you relating to the analytical study currently in progress under the direction of [REDACTED] Chief, Special Analysis Staff. It has been suggested that it might be useful for [REDACTED] to brief selected individuals who have a high interest in this subject and to allow for some discussion of his findings to date. It is proposed to do this at 3 on Friday afternoon, 13 March 1964, in room 3E13. Should such discussion prove useful, it might be desirable to repeat this at intervals in the development of [REDACTED] study.
